Report on Seminar on Profile building, Interview skills and Opportunities in Pharmacovigilance sectors**Date- 03/06/2022****Time- 10.00 to 11.30 am**

A guidance session on "Opportunities for Graduate students in Europe" for Final year Degree students of Rajarambapu College of Pharmacy, Kasegaon was organized as per their request on 03/06/2022. The session was conducted in the Digital classroom of Rajarambapu College of Pharmacy, Kasegaon.

Mr. Kaustubh Mane, Northumbria University Newcastle, United Kingdom was the resource person. He was welcomed and introduced by Dr. A.R. Chopade.

As Universities worldwide have seen a constant rise in the number of Indian students enrolling for a degree away from their home country. His session covered main reason behind their choice is the fact that the Indian job market appreciates a degree from a top international university more compared to an Indian's Bachelor's or Master's degree. He suggested Europe offers around a hundred thousand choices for bachelor, masters, PhD, and short-term exchange programs to international students giving them the autonomy to choose what suits them. But studying in Europe is not just a degree, it's an unmatched experience. Students often research a lot to get into European universities where they can get recognition worldwide.

He discussed important aspects such as

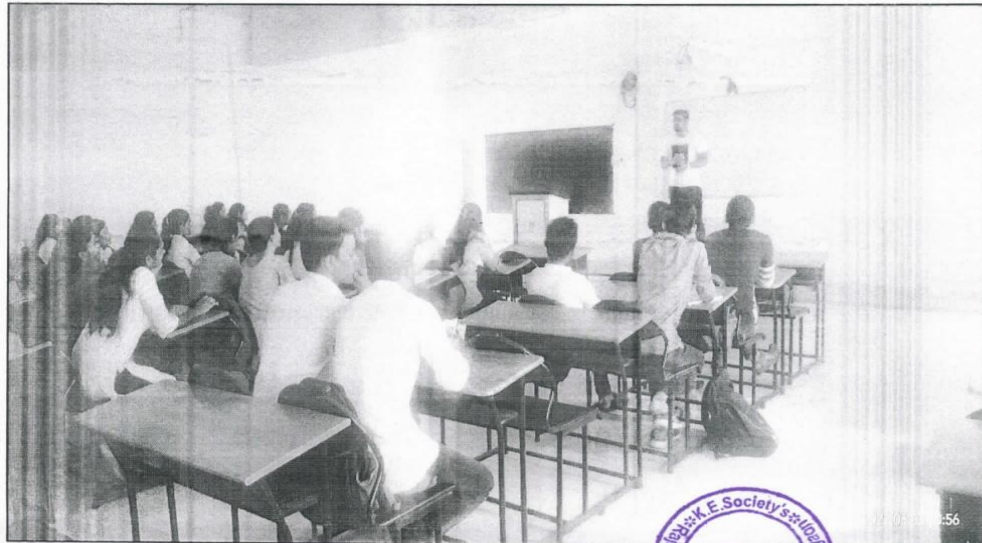

- A. Top Universities in Europe
- B. Study in Europe after graduation
- C. Study in Europe without IELTS and TOEFL
- D. Masters in Europe
- E. Best Courses to Study in Europe
- F. Application Procedure
- G. Obtaining Student Visa in Europe
- H. Cost of Studying in Europe
- I. Scholarships to Study in Europe

This session was followed by the interaction session with students where Mr. Kaustubh Mane enthusiastically answered the queries raised by the students. His session was appreciated by all the student attendees. Faculty member's viz. Dr. G. H. Wadkar, and Dr. A. R. Chopade, took efforts for conducting the session.
