Safety and Security - Security cameras (CCTV) are fixed in the Institute for round the clock surveillance. Grievance cell, internal complain committee and Anti-ragging committees with women professors as members are functional in the institute promote gender sensitivity in the Institution and produce harmonious atmosphere in the campus.

The Institute is having own girls' hostel with well established facilities like **CCTV surveillance**, woman professor as **hostel warden**, residential woman **rector** and 24hours **security guards**. The hostel is safeguarded with a cement **fence**. **Fire safety** is also taken care of with fire extinguisher systems all over.

Common Room-The Institute has established a separate **Girls' common room** on First floor, which is well equipped with necessary facilities and amenities required by women like **Sanitary napkin Vending Machine, incinerator, attached washrooms**, washbasins, mirrors, curtains, **hand wash/sanitizer**, ceiling fans etc., along with clean beds and seating arrangement which boosts the confidence and feeling of safety among girls additionally.

Girls' Hostel facility: An independent girls' hostel with the **cafeteria and mess facility**.

This has encouraged female students from above mentioned remote and far off places of to pursue Pharma education at our Institute.

The hostel takes care of all basic needs and amenities, safety and security of girl students and maintains conducive environment for comfortable stay and studies. Beautiful garden and landscaping around keeps them fresh and energetic.

Program on Female health 2020-2021

REPORT OF GUEST LECTURE

Topic : Breastfeeding Awareness
Resource Person : Dr. Taru Jindal
Date : 18-01-2018
Venue : Auditorium, Rajarambapu College of Pharmacy, Kasegaon

Breastfeeding Awareness seminar was organized at Rajarambapu College of Pharmacy, Kasegaon on 18-01-2018. The seminar was anchored by Ms. Shubhda Dalvi. The programme was started with the inauguration programme on the auspicious hands of Dr. Taru Jindal, Dr. Pradip Patil, Dr. C. S. Magdum & Vice-Principal Dr. S. K. Mohite sir. Introduction of the speaker was given by Smt. A. N. Chivate. Felicitation of the guests was done by Dr. C. S. Magdum & Dr. S. K. Mohite sir.

The objective of this lecture was to spread importance of breastfeeding among the students so that they can spread awareness of breastfeeding in society. Dr. Taru Jindal explained importance of breastfeeding for the maximum possible period to increase the immunity of child. She also mentioned that the support of partners is vital to the success of breastfeeding. She told breast milk is specifically designed to optimise a baby's growth and development. The research evidence on the value of breastfeeding, for mothers and their babies, is very compelling. And this body of evidence is growing all the time. Just as importantly, breastfeeding provides a unique early bonding experience for infants and their mothers. This contributes greatly to the baby's psychological, emotional and social development. She had told the alternatives for the women who are at work as they can store their milk in the milk bank at particular temperature for three months. She also showed a videoclip on "Breastfeed Crawl" which was very beneficial and inspirational.

An essay competition was held on the topic "Breastfeeding: Yesterday, today and tomorrow" for the students and three prizes were given to the following students:

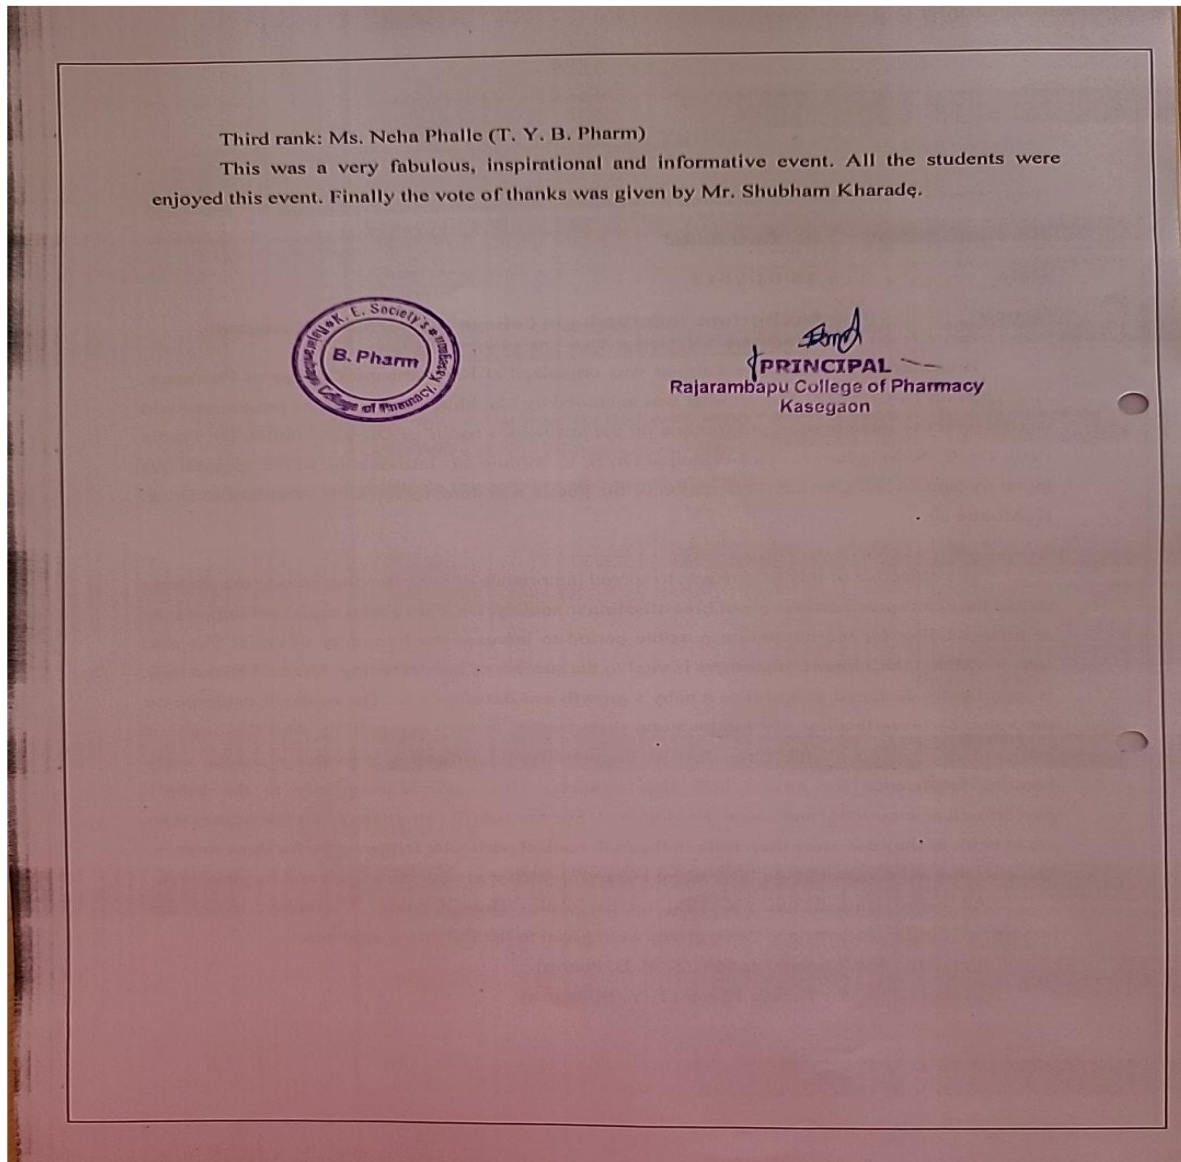

First rank: Ms. Manali Mandre (S. Y. B. Pharm)

Second rank: Ms. Tanaya Pawar (T. Y. B. Pharm)
