**Actions taken.**

**1. Construction and development of animal house facility**

As per the new guidelines and requirements laid by the CPCSEA Delhi a new animal house facility was decided to be constructed on fourth floor. The further necessary action was initiated by R S Adnaik and A R Chopade.

**2. Installation of drinking coolers on each floor.**

It was decided to install drinking coolers on each floor having RO filtered water for drinking to all the students.

**3. Lift facility**

As some handicapped students and staff are having a difficulty to climb the second and fourth floor in one breathe. Also lot of weaker girl students are requesting for the lift facility a proposal for construction of Lift facility was initiated.

**4. Development of language lab**

A need for development of state of art soft skill and computer language lab was felt. The process for its development on the ground floor was started by the computer department.

**5. Purchase of extra computers**

Already a state of art computer facility is available on the ground floor but students demanded to still further increase the number of computers. So it was decided to purchase an additional number of computers on urgent basis.
